BEST OF TORONTO

Best site-specific theatre company **CONVERGENCE THEATRE**

Hate feeling boxed in as part of a theatre audience? Convergence's artistic directors, Julie Tepperman and Aaron Willis, offer ensemble dramatic thrills in the least expected places. *AutoShow* sent audiences traipsing from one car-based tale to another, while *The Gladstone Variations* had viewers running up and down stairs in the Gladstone Hotel, where ghostly and living characters intrigued us with four ironic, interconnected tales.
