

BEST OF TORONTO 2009

STAGE

NOW | October 28-November 4, 2009 | VOL 29 NO 9

Best theatre couple

JULIE TEPPERMAN and AARON WILLIS

We first saw Tepperman and Willis's impressive chemistry in their final year at George Brown Theatre. Now, as Convergence Theatre, they're one of Toronto's most respected theatre duos, the driving force behind such cutting-edge productions as *AutoShow*, *The Gladstone Variations* and *Yichud*, the last scheduled for Theatre Passe Muraille next year.
